## ReCAAP ISC Weekly Report 12-18 December 2017

### Piracy and Armed Robbery Against Ships in Asia

#### OVERVIEW

During the period of 12-18 Dec 17, five incidents of armed robbery against ships were reported to the ReCAAP ISC. The location of the incidents is shown in the map below; and detailed description tabulated in attachment.

Location of incidents

Also included in this report are two incidents of armed robbery against ships that occurred outside Asia (both in Nigeria) on 7 and 10 Dec 17. The incidents involved container ship, *Kota Sempena* and tanker, *Nord Snow Queen*, both were reported to the ReCAAP ISC by ReCAAP Focal Point (Singapore).

## RECOMMENDATIONS

The ReCAAP ISC urges ship master and crew to report all incidents of piracy and armed robbery against ships to the nearest coastal State and flag State, exercise vigilance and adopt relevant preventive measures taking reference from the *Regional Guide to Counter Piracy and Armed Robbery Against Ships in Asia*.

The ReCAAP ISC reiterates its advisory issued via the *ReCAAP ISC Incident Alert* dated 21 November 2016 to all ships to re-route from the area, where possible. Otherwise, ship masters and crew are strongly urged to exercise extra vigilance while transiting the Sulu-Celebes Sea and eastern Sabah region, and report immediately to the following Centres:
