GENERAL INFORMATION

The MDAT-GOG has been in operation since 20 June 16. It is a virtual reporting mechanism supporting the interregional architecture defined by the Yaounde Code of Conduct. The primary output from the MDAT-GoG is to contribute by maintaining coherent maritime situational awareness in the central and western African Maritime Space, with the ability to inform and support industry, contributing to the safety and security of the Mariner in the regional maritime domain. All vessels are encouraged to report to the MDAT-GoG using the existing reporting formats. The information supplied by vessels will be treated as commercially confidential.

All details can be found on [SHOM Chart 8801CSD](#) or [UKHO Chart Q6114](#), 30 June 2016, to allow vessels to report their vessels when transiting the revised Voluntary Reporting Area (VRA), also described on both security charts with the MDAT-GOG, using the email address watchkeepers@mdat-gog.org. Phone number is monitored permanently (+33 298 22 88 88).

Masters are encouraged to comply with [Best Management Practices West Africa \(BMP WA\)](#) and [Global Counter Piracy Guidance](#) during their presence in Voluntary Reporting Area.

MDAT – GoG reports are primarily based upon information sent by vessels using the Voluntary Reporting Scheme. Masters and CSOs are encouraged to report as early as possible, events or sightings with as much detail as possible to allow MDAT-GOG to initiate the appropriate response.

Sometimes incomplete reports cause delay to the issue of warnings and our ability to contact Local Navy assets for assistance. Masters are requested to call MDAT-GoG (+33 298 228888) at the time of any incident occurring. This phone number is monitored permanently (24/7/365).

It is requested the Masters contact MDAT-GoG as soon as possible to facilitate quick actions by the MDAT-GoG and their regional contacts.

Definitions

Hijack: Unauthorised persons have illegally boarded the ship and taken control of the vessel against the will of the Master and crew.

Boarding: An illegal boarding is where the attackers have boarded the ship but have not taken control of the vessel.

Attempted Boarding: Close approach or hull-to-hull contact with report that boarding paraphernalia were employed or visible in the approaching boat, but are thwarted by BMP measures, PAST, weather conditions, lack of appropriate equipment, etc.

Attack: The ship has been subjected to an aggressive approach by unidentified craft and weapons have been discharged.

Suspicious approach: Definite alteration towards the ship, rapid increase in speed which cannot be accounted for in the prevailing conditions. Sudden changes in course towards ship and aggressive behaviour.

Robbery: Theft realized in territorial waters with threat/violence to crew.

Theft: Theft realized in territorial waters with no violence.

Sightings and Irregular Activity: Suspicious activity not associated with the locality or prevailing conditions.
