GENERAL INFORMATION

The MDAT-GOG has been in operation since 20 June 16. It is a virtual reporting mechanism supporting the interregional architecture defined by the Yaounde Code of Conduct. The primary output from the MDAT-GoG is to contribute by maintaining coherent maritime situational awareness in the central and western African Maritime Space, with the ability to inform and support industry, contributing to the safety and security of the Mariner in the regional maritime domain. All vessels are encouraged to report to the MDAT-GoG using the existing reporting formats. The information supplied by vessels will be treated as commercially confidential.

All details can be found on [SHOM Chart 8801CSD](#) or [UKHO Chart Q6114](#), 30 June 2016, to allow vessels to report their vessels when transiting the revised Voluntary Reporting Area (VRA), also described on both security charts with the MDAT-GOG, using the email address watchkeepers@mdat-gog.org. Phone number is monitored permanently (+33 298 22 88 88).

Masters are encouraged to comply with [Best Management Practices West Africa \(BMP WA\)](#) and [Global Counter Piracy Guidance](#) during their presence in Voluntary Reporting Area.
